

Note:

NGOs that raised funds through Charity Bibs in TMM 2018 are ranked and listed using a weighted average formula, that has two components in a 60:40 percent weightage, respectively - Average amount per Bib and Total amount raised through Bibs.

NGOs listed in the Charity Bib Ranking list are eligible for a higher bib allocation as mentioned below. Unlike NGOs in the common pool, the NGOs listed below can block up to their allotted number of bibs in the 1st round itself. For additional bib requirements, the NGO must utilize all bibs allocated in the 1st round and send in a request before 23rd October 2018. Allocation of additional bibs will be subject to availability with UWM and the same will be confirmed to the NGO on 29th October 2018
