Dear Madam,

This is to bring your kind notice that the Project conducted by you regarding Health awareness & Prevention of General infections in F-north Municipal Ward, also other activities such as Voluntary testing for Hepatitis B, Anemia & worm infestation, General health & oral check-up, other extra-curricular activities such as drawing, Competition will be helpful to our students of both the sessions as before the material provided by you had prove more beneficial to students as well as parents.

Hope you will conduct more such programmes regarding the same for the next academic year.

Thanking you.

Yours faithfully,
