INDEPENDENT AUDITORS' REPORT

Report of an auditor relating to financial statements audited under sub-section (2) of Section 33 and Section 34 of the Maharashtra Public Trusts Act (formerly known as Bombay Public Trusts Act, 1950) for the year ended 31st March 2022

To the Board of Trustees of United Way Mumbai
(Registration No: F-23412 (Mumbai))

Opinion

We have audited the accompanying financial statements of United Way of Mumbai ("the Trust"), which comprise the Balance Sheet as at 31 March 2022, the Income and Expenditure Account, the Statement of Income liable to contribution (collectively referred to as "the financial statements") for the year then ended, being submitted by the Trust pursuant to the requirement of Section 33(2) and Section 34 of the Maharashtra Public Trusts Act.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the Trust as at 31 March 2022, and of its excess of Income over Expenditure for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those SAs are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Trustees for Financial Statements

The Board of Trustees are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS), to the extent applicable, issued by the ICAI including the relevant provisions of the Act and Rules. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

PKF SRIDHAR & SANTHANAM LLP is a registered Limited Liability Partnership with LLPIN AAB-6552 (REGISTRATION NO. WITH ICAI IS 0039905/S200018)

The Board of trustees are also responsible for overseeing the Trust's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether such internal controls are operating effectively.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Board of Trustees.
- Conclude on the appropriateness of trustee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Trust to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Rule 19 of the Bombay Public Trusts Rules 1951, we report that:

- (a) In our opinion, the books of accounts of the Trust are maintained regularly and in accordance with the provisions of the Maharashtra Public Trusts Act ("the Act") and the Bombay Public Trusts Rules, 1951 ("the Rules");

- As certified by the Trustees, the Trust has retained amount upto certain percentage of grants received (determined on a case-to-case basis by the Trustees) to meet the administrative expenses.
- The Trust has met establishment expenses out of Grants received for general charitable purposes.
- The Trust has received all amounts as first recipient in India and in cash (through Bank).
- Contributions/donations are recognised entirely in the Income and Expenditure Account on receipt basis whereas expenditure is recognised on accrual basis.
- (a) The Trust's gratuity benefit scheme is an unfunded defined benefit plan. The Trust's obligation in respect of gratuity benefit scheme is calculated based on Actuarial valuation report, the same is charged to the Income and Expenditure Account. Gratuity liability is a defined benefit obligation determined on an accrual basis.
- (b) The Trust's obligation in respect of leave encashment/ compensated absences is calculated based on Actuarial valuation report, the same is charged to the Income and Expenditure account.
- Supreme court vide Manu/SC/0532/1975-AIR 1975 S.C. 846 (1975), ISCC. 509 (1975) 3 SCR-475 adjudicated that the Charity commissioner cannot collect 2% as cess/contribution if they have sufficient funds to meet their expenses. Based on this judgement, the Trust has made the provision for contribution to Public Trust Administration and the same has been shown as liability but the payment is yet to be made.

Schedules to the financial statements

for the year ended 31 March 2022

1. Background of the Trust

United Way of Mumbai (UWM) is a non-profit organization and was registered under Bombay Public Trust Act 1950 on 29 September 2001. The trust is registered under the Foreign Contribution (Regulation) Act, 2010, renewed on 20 May 2016, Registration no 083781034. The trust endeavors to leverage corporate, employee and leadership talent for community development through corporate gifts and employee giving campaigns. This is a charitable trust thus there is no revenue or profit and the income majorly is from donation collected.

2. Significant accounting policies:

(a) Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting, in accordance with the accounting standards issued by the Institute of Chartered Accountants of India and accounting principles generally accepted in India ('Indian GAAP') and Schedule VIII and IX to the Maharashtra Public Trust Act, 1950 to the extent applicable.

(b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported the amount of assets, liabilities, income and expenses and the disclosure, and the disclosure of contingent liabilities on the date of financial statements. The estimates and assumptions used in the financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

(c) Property plant and Equipment

Tangible and intangible assets are stated at cost of acquisition or construction less accumulated depreciation and amortization. Cost includes inward freight, duties, taxes and expenses incidental to acquisition and installation incurred up to the point the asset is ready for its intended use

(d) Depreciation and amortization

Depreciation on movable assets and immovable assets is provided on the written down value method on management's estimation of useful life of the assets as under:

Assets	Rate of Depreciation
Computers	40.00%
Office Equipments	15.00%
Furniture	10.00%
Leasehold improvement	Lease Period

(e) Employee Benefits:

Short term employee benefits

Employee Benefits payable wholly within twelve months of availing employee services are classified as short term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by the employee.

Post employee benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specific contribution to government administered schemes and has no further obligation to pay further amounts. The trust makes specific monthly contributions towards Provident fund at prescribed rates. The trust's contribution is recognized as an expense in the statement of income and expenditure during the period in which the employee rendered the related service.

Defined benefit plans

The trust's gratuity benefit scheme is a defined benefit plan. The trust's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in current and prior periods, that benefit is discounted to determine the present value.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance sheet date, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on market yields on Government securities as at the balance sheet date.

Actuarial gains and losses are recognized in the statement of income and expenditure.

Other long term employee benefits

The employees can carry forward a portion of the unutilized accrued compensated absence and utilize it in the future service period or receive cash compensation on termination of employment. The Trust records an obligation for such compensated absence in the period in which the employee renders the service that increases this entitlement. The obligation is measured on the basis of independent actuarial valuation using the project unit credit method.

(f) Provisions

Provisions are recognized when the Trust has a present obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

(g) Donation income

Donations/ Contributions are recognized on their ultimate collection.

(h) Interest income

Interest income is recognized on time proportion basis.

Notes

- As certified by the Trustees, the Trust has retained monies upto certain percentage of grants received (determined on a case-to-case basis by the Trustees) to meet the administrative expenses.
- The Trust has met establishment expenses out of earmarked grants and from grants those received for general charitable purposes.
- We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Trust's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial statements.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.
